

Zippering into Zippy's

Front: Bill and Joy. Back: Brent, Kyle, Nick, Max, and Frank

Our first quarterly social gathering switched to Zippy's this year. Seven members gathered to catch up and to help Max develop ideas for his next project speech. His ideas sound intriguing and may also help you reach the next level of personal satisfaction in life.

We were given a long table in the dining room and it worked quite well for us. The noise level in the restaurant wasn't noticeable and we could hear each other easily.

Please join us on **June 20** for our next quarterly gathering (most likely at Zippy's). Be ready for a Table Topic at our table!

Got ideas? Hey! If you've got ideas for stories in our next quarterly newsletter on **March 31**, please send information to **Joy** by **March 24**. Mahalo!
